NTA

There's no better way than with NSTA!

Save Time

NSTA membership puts so many resources at your fingertips—classroom-proven tips, scholarly research, best practices, and information on educational trends and issues, plus unlimited searches of our archives on the internet, and connect with your peers and experienced science educators via NSTA's discipline-specific listservers.

Continue Your Education

NSTA members choose a peer-reviewed journal, written to fit every teacher's grade level; read *NSTA Reports*, and visit our internet site to stay current on your area of expertise. PLUS our extensive catalog of resources and schedule of conventions, workshops, and online courses maximize your opportunities for learning all year long.

Advance Your Career

Whether you're a seasoned professional or just starting out, NSTA provides you with new tools to pursue career goals. Your membership gives you opportunities to publish your work, present your ideas, and circulate your resume via our *NEW Online Career Center*, and get involved with colleagues in your locale or around the world.

YOUR CHOICE OF...

Science and Children

Keep current on trends, teaching techniques, science lessons, and activities for elementary teachers.

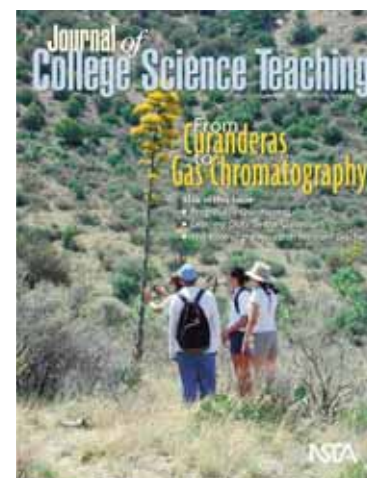

Science Scope

Find easy-to-read, activity-based articles developed and tested by teachers for middle level educators and their students.

The Science Teacher

Receive cutting-edge classroom ideas and timesaving strategies for teachers of high school science students.

Journal of College Science Teaching

Access the only scholarly journal for the teacher of science at the college level.

PLUS...

NSTA Reports

Our quick-read newspaper covers the latest science teaching news and informs you about resources and opportunities.

NSTA Online Your most valuable resources are just a click away. Search the journal article archive, network with your peers, access SciLinks®, gain career advice, register for a class, purchase a book in the Science Store, and much more.

Visit www.nsta.org and stay connected.

MEMBERSHIP OPTIONS

Individual Membership—\$74/yr.

New Teacher—\$32/yr. Teachers who are in their first three years of teaching. Send a copy of your teaching certificate or a letter from your administrator.

Student—\$32/yr. For full-time students only. Include proof of current registration with your payment. Instructor must sign here.

Retired—\$32/yr. Science educators who are fully retired and have been an NSTA member for at least five years.

Joint NSTA/SCST Individual—\$89/yr. Includes membership in both Society for College Science Teachers and NSTA; publication received is the *Journal of College Science Teaching*.

Joint NSTA/SCST Student—\$37/yr. Includes membership in both Society for College Science Teachers and NSTA; publication received is the *Journal of College Science Teaching*.

3

JOURNAL TYPE

Select the grade specific journal(s) of your choice:

Science and Children—8 issues a year; grades K–6

Science Scope—8 issues a year; grades 6–9

The Science Teacher—9 issues a year; grades 9–12

Journal of College Science Teaching—7 issues a year, college

See next column for multiple journal and multiple year rates.*

4

MEMBERSHIP JOURNALS

Select the number of journals you would like to receive and the length of time.

	1-Yr.	2-Yr.	3-Yr.	4-Yr.	5-Yr.
One Journal	\$74	\$138	\$200	\$260	\$322
Two Different Journals	\$108	\$201	\$292	\$380	\$470
Three Different Journals	\$144	\$270	\$393	\$513	\$633
All Four Journals	\$178	\$330	\$480	\$625	\$773

The National Science Teachers Association (NSTA), founded in 1944 and headquartered in Arlington, Virginia, is the largest organization in the world promoting excellence and innovation in science teaching and learning for all.

NSTA is committed to improving science teaching by enhancing teachers' professional development, developing and delivering ready-to-use teaching resources, connecting teachers with their colleagues, and serving as their advocate.

For Just Pennies a Day, Gain Maximum Value from Your Membership!

For as little as \$74 a year, you can take full advantage of all the money-saving benefits of membership, including

- Up to 44% off your registration at all NSTA conventions and educational programs
- 20% off all NSTA Press® books and teaching resources
- 20% off SciGuides
- 10% off all other publishers' resources in the *NSTA Recommends® Catalog*
- Up to 10% off multiyear and multijournal memberships
- Discounts on group automobile insurance plans
- Discounts on health, liability, and life insurance plans
- Discounts on financial services, such as a credit card with a low APR and no annual fee

Achieve your full teaching potential with these great benefits:

- Discounts on books and registration fees
- Grade-specific journals and e-newsletter *Science Class*
- *NSTA Reports*
- Online searchable journal archive
- SciLinks®
- Teaching resources
- *NSTA Express* for weekly e-news
- Professional development
- Lesson plans
- Career Center
- Networking
- Leadership opportunities
- Grant connections
- FREE stuff
- and much more!

"I like getting journals because I can read about what others are doing in science teaching. They are written by teachers and are in 'my language.' I also like to network and NSTA helps me do that. And the discounts are nice, too!"
